Book Details:

Review: Great book to learn Greek. To be very honest, I do not think the way this book is structured is beneficial for first-time student of Koine Greek language. I had two years of Greek lesson from other school using a different book and I found the structure of A Primer Of Biblical Greek inefficient. However, I must acknowledge this book is incredibly technical...

Description: Though there are currently a number of texts for teaching biblical Greek, most of them are plagued by various deficiencies. Written with these flaws in mind, this new primer by N. Clayton Croy offers an effective, single-volume introduction to biblical Greek that has proven successful in classrooms around the country. This volume takes a primarily deductive...
